*I have Dementia,  
I may snooze in the middle of the day  
I may respond in an unusual way  
I ask you to try very hard to see  
This is my new reality.  
Live in my moments,  
The ones that remain  
Focus on ME, not my fading brain.*

### **Resident of the Month**

Pauline Rose was born on November 5, 1932, to Helen and John Kaiser. Pauline had three siblings; Ginny, Susie, and Dave. Pauline's mother worked at the A & P grocery store and her father did upholstery and furniture repair.

As a child, Pauline liked to play baseball, basketball, and figure skating. One of her treasured memories involves her father. He used to play the ukulele and sing songs for the family. Pauline graduated high school from Nativity. Her first job was at Federal Mogal as a secretary where she frequently took meeting minutes.

Pauline and Richard Dowe met at a dance and married in 1956. They had one son, James, and were married for 58 years! Pauline and Richard loved their adventures. They made several trips to New York to visit family and enjoyed taking cruises. Most memorably, was when they bought a cottage in Caseville. It was on a canal that led to Saginaw Bay. They later bought a boat and enjoyed many years sharing their getaway with family and friends. Pauline's sister had a cottage close by and they spent time together there. Playing badminton, horse shoes, and card games always provided loads of fun.

Making her own clothes provided Pauline with a great sense of pride. She started sewing on a manual treadle sewing machine given to her by her mother-in-law. She made everything from pajamas to dresses and loved every minute of it!

Pauline retired from the Lakeview School District after 25 years of secretarial work and taking minutes at board meetings.

These days Pauline enjoys watching Murder She Wrote, playing BINGO, cards, and all of the activities at My Doctor's Inn.

Pauline is kind, gentle, accommodating, and most of all, FUN! Congratulations Pauline!
