Resident of the Month

Gayle Schaeff

Gayle was born on March 6, 1952 in Dayton, Ohio. Gayle's parents, Keith and Mary Kesling, were blessed with four daughters; Nancy, Bonnie, Gayle and Sandy. Gayle has three nieces; Robin, Jennifer and Andrea. While living in Dayton, Ohio with her parents, Gayle was lucky enough to live in an environment full of animals. There were horses on or near their property, and Gayle had her own horse named Rex. Cats, dogs and various other critters have been an ongoing presence in the homes Gayle has resided at throughout her life.

Gayle has two children of her own, Ronald (Ron) and Katrina (Trina). Ron and Trina also have children. All boys! Gayle has five grandsons; Joshua, Jacob, Nicklaus, Andrew and Chase.

Gayle has always been artistically talented. She has played instruments, including the piano throughout her life. Music, drawing, and many other artistic skills are part of Gayle's portfolio of talents. She has always had a green thumb. When it comes to gardening, and flowers, Gayle is truly talented. She has won many awards and ribbons for her arrangements at fairs throughout Michigan. And boy can Gayle cook and bake! Chicken crepes, cabbage rolls, and pumpkin pies (don't forget the cinnamon rolls) were just a few of Gayle's yummy specialties. She is also great at board games, puzzles, and can be quite the card shark!

Gayle worked hard as a mother when her kids were young, and then later as an Executive Assistant for almost 40 years at Lawrence Technological University in Southfield. She was the 'right hand' of many professors and other staff, and was well liked and respected throughout her career.

Hallmark was kept in business due to Gayle's dedication to birthdays, anniversaries, and holidays. She never forgot people's special days with a greeting card, and always seemed to be the first to acknowledge them!

Tom is Gayle's longtime companion and they have been engaged for many years. They have shared many adventures like downhill skiing, traveling to beautiful beach destinations, smelt dipping (you'll have to ask Gayle), wildflower and morel mushroom picking. These are just a few things about Gayle. She is kind and fair, and has a flair for life. Have a conversation with Gayle, and you will have the opportunity to talk with a truly gentle soul!

Congratulations Gayle!

September

TRIVIA

- Out of all 12 months of the year, September is spelled with the most letters. It contains nine letters, and it happens to be the ninth month of the year. No other months have the same amount of letters as their number in the calendar year.
- There are more pop and classic songs with "September" in the title than any other month
- The birthstone for September is the sapphire which is said to reduce inflammation, treat fever and act as a lucky charm for the person wearing it. It symbolizes intuition, clarity of thought, peacefulness, as well as loyalty and trust.
- This September "Harvest Moon" is the fullest moon of the year. When you gaze at it, it looks very large and gives a lot of light throughout the entire night. No other lunar spectacle is as awesome as the Harvest Moon.
- The Romans believed that September was looked after by the god of fire. So they always expected fires and volcanic eruptions to occur during this month.
